After investigating the history of sleepwear one becomes cognisant that there has been less variety in men's nightwear styles compared to women and that female night attire was definitely more elaborate and decorative than male attire. As Gernsheim (1981) points out, the feminine aim in dress is to "look attractive in all circumstances" (p. 23). It is also evident that the stylistic ...

### **The History of Fashion - Vanderbilt University**

The literature of costume and fashion history is diverse in nature. The first printed books on the subject appeared in the sixteenth century. Illustrated surveys of historic costume blossomed in the late eighteenth century and reached a peak by the mid-to-late nineteenth century. Scholarly developments in the 1920s and 1930s produced studies in which fashion and dress received new psychological and sociological evaluation. More extensive scholarly and popular publications on historical dress ...

### **A History of English Dress in the Late 17th to 18th Centuries**

The history of fashion design refers to the development of the fashion industry which designs clothing and accessories. The modern industry, based around firms or fashion houses run by individual designers, started in the 19th century with Charles Frederick Worth who from 1858 was the first designer to have his label sewn into the garments that he created. Dress designed by Charles Frederick ...
