One Day Book Club Guide - speedcomisp.org.uk

One Day recounts the story of Emma and Dexter in a never-before-seen format - each chapter is the just the one day - July 15th - of each year of their lives. This could have had so much potential but the execution is just... agonizingly painful.

This book is a must read for book clubs and every man and woman who just wants to escape into a fantastic book. The characters are well drawn out and the plot is fun and enjoyable. The style of writing is smooth as butter and the dialogue is never stilted. David Nicholls has written an excellent book and I can't wait until his next one.
